Take "Basic Infection Control Measures" thoroughly!

After vaccination, in addition to basic infection control measures such as "wearing a mask when talking", "washing hands", "aiming for Zero Cs"* and "ventilation", we ask that you continue to thoroughly implement the following measures.

When meeting with people

- Keep a sufficient distance from people.
- Avoid crowded places and busy times.
- Work online or stagger your work hours.
- Avoid close, crowded areas even outdoors, etc.

When eating and drinking

- Keep the number of people small and meet for short periods of time, and avoid loud voices.
 - Use restaurants with third-party certification systems. ("Certificate of Thorough Infection Prevention Inspection" will be issued to inspected stores. e.g.- install partitions or ensure seating spacing, disinfecting, etc.)
 - Use take-out and delivery services, etc.
 - ◆ Health Promotion Division TEL 048-528-0601
- *closed spaces, crowded places and close contact settings
