				31	Non-burnable garbage

Bulky waste and recyclables (paper) are divided into five districts, each with designated collection days.

Please place batteries and fluorescent lights in the designated boxes located in designated locations such as city hall.

Please separate your garbage and put it out at the designated collection point by 8:30am on the collection day.

Garbage cannot be put out on any days other than the designated days.

Contact Information : Kumagaya Environment Beautification Center ☎ 048-524-7121

Burnable garbage

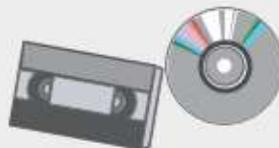

Place in a transparent or translucent bag (excluding large items)

Main items

Food waste

CDs and videotapes

Futons and carpets

Leather or rubber products

Soiled or scented paper or boxes

Disposable hand warmers, ice packs, disposable diapers

Bags, trays, and tubes that contacted food

Wooden or plastic furniture and miscellaneous items

(C) 熊谷市

Notes

- Drain liquids from food waste before putting it out.
- Remove air from bags and close them securely.
- Disassemble large wooden furniture as best as you can. If you cannot carry it to the collection site, use a "Paid Collection Request".
- Fold futons and carpets and tie them with string. Remove controllers and cords from heated carpets and put them out with non-burnable garbage.
- Place waste securely beneath nets or in containers at collection sites so that crows or other animals can't reach it.

Non-burnable garbage

Separate and put in a transparent bag

Main items

Food and drink cans

Food and drink bottles

Disposable lighters *1

Spray cans, Gas cartridges *2

Plastic bottles (Bottles with a PET mark)

Non-burnable garbage (ceramics, cosmetic bottles, frypans, etc.)

*1 Remove all gas from disposable lighters, place them in a transparent bag separate from cans, and put them out on the collection day for cans.

*2 Empty the contents of spray cans and gas cartridges, then puncture all containers, place them in a transparent bag separate from bottles, and put them out on the collection day for bottles.
